## LEARNING FROM PATRICK

Gov. Tim Kaine (right) attended a dinner hosted by former Gov. Gerald Baliles (left) and the Patrick County Education Foundation Wednesday night at the foundation office. Kaine watched a PowerPoint presentation showing the PCEF's accomplishments in the five years since it was founded, in the areas of GED attainment, workforce training, and college access. Kaine asked a lot of questions about ways the Patrick model could be used in other parts of the Commonwealth to improve education for people of all ages. He also discussed helping Patrick form more business partnerships. (Photo by Jeff Clark)
